

Name: Muhammad Shazzad Mia

Project: Sample bug report

Bug Report

Website Name: website

Website URL: <https://www.website.com/book>

Summary: Issue with add-to-cart functionality

Severity: High

Steps to Reproduce:

1. Navigate to the website
2. Search for any book using the search bar or browse through the available categories and select a book
3. Click on the "Add to Cart" button
4. Check the cart icon at the top right corner of the website

Actual Results: The book is not added to the cart, and the cart icon at the top right corner of the website does not display the added item.

Expected Results: The book should be added to the cart and the cart icon at the top right corner of the website should display the added item.

Impact: The issue impacts the user experience of the website, making it difficult for users to purchase the books they want. This could lead to loss of sales and decreased user engagement on the website.

Environment: This issue was observed on the latest version of Google Chrome browser running on Windows 10 operating system.

Attachments: N/A

Recommendation: The development team should investigate and fix the issue with the add-to-cart functionality on the website to improve the user experience and increase sales.
